"This is an example of the delay and interference which we have experienced continually at the hands of the receivers." Mr. Strouse replied. "No such agreement was made and there is now no renson why we should not proceed with the election of trustees."

The referee pointed out that under the bankruptcy laws three trustees would receive only nominal compensation, and he added that nothing had been said to show why further nemination of rustees might not be received. Where upon Benn Barber of counsel to the Shipping Board, declaring that he acted in the interests of harmony and at the

spen Benn Barber of counsel to the Shipping Board, declaring that he acted in the interests of harmony and at the earlier suggestion of Chalman A. D. Lasker of the Shipping Board, nominated Herbert Noble to act as sole trustee, Mr. Townsend then adjourned the meeting to Thursday at 11:30 "This lack of harmony between parties whose interests should be the same is very strange," the referee said. "There must be something at the bottom of it, and I believe that within twenty-four hours it may float to the surface."

"There is back of it the very great desire of the creditors to name their own trustees," said Mr. Strouse.

Mr. Strouse represented about 140 claims aggregating \$1,600,000. The Shipping Board presented a claim of \$354,560 for charter hire on the vessels formerly operated by the United States Mall Steamship Company, Other Individual creditors were the Morae Drydock and Repair Company, \$160,000: Dew York Harbor Drydock and Repair Company, \$160,000: Berwind-White Coal Company, \$151,900.

#### BALLOON MOTHER SHIP COMPLETED FOR NAVY

#### The Wright Has Hydrogen Generator and Pigeon Coop.

The U. S. S. Wright, which has been The U. S. S. Wright, which has been undergoing conversion into a balloon and scaplane mother ship at the Tietjen & Lang plant in Hoboken of the Todd Shippards Corporation, will be turned over to the navy to-day. The work of conversion included additions and alterations to provide for the stowage of six kite balloons and for the inflation and housing of kite balloons at in a balloon well. A hydrogen generating and loon well. A hydrogen generating and storage plant was also installed, as well as repair plants for balloons and sea-

planes.

A pigeon coop, acrological laboratory and complete photographic laboratory are also part of the earlipment. The Wright is named after Wilbur Wright, the inventor, and was formerly a transport. She is 448 feet over all in length, 58 feet in breadth, of 14,240 tons displacement and capable of fifteen knots speed. The battery cousists of four 5-inch 51 calibre guns, two forward and two aft, and two machine guns.

#### \$300,000 ASKED FOR DELAY. Boston Firm Sucs Because Ship

Didn't Sall on Time. Borron, Dec. 15.—Howen, Inc., of this city to-day filed suit for \$300,000 against the Government for alleged failure of the steamship Shielsshinny to sail from Boston for Norway with a cargo of shoes at the time specified.

A sailing direct from this port to Christiania, in Pebruary, 1920, was advertised, it was assorted, but instead of going direct, the vessel went ry Philadelphia for repairs and did not reach Nor-

phia for repairs and did not reach Nor-way in May.

#### PARADISE FEATHERS FOUND.

## Plames Discovered in Palse Bot-

tom of Denler's Trunk. Costoms Inspector Veeder Weller discovered a false bottom in the trunk of
Fiannan Mourad, a second cabin passenger by the French liner Paris, which arrived on Monday from Havre, and concealed under the bottom was a large
quantity of bird of paradise feathers,
whose importation is prohibited.

Mourad is well known in Armenian
and Syrian business circles here and he
was paroled for later examination and
a request made to the Federal Distrect
Attorney to take action against him
criminally.
